

AVOID HUGE FINES! KEEP HAZARDOUS WASTE OUT OF OUR ENVIRONMENT!

We send you everything you need!

- ① Fill box completely with spent/discarded **INTACT** bulbs for recycling. Fill-out the on-box manifest. Seal the box top and bottom with two (2) tape strips.

DO NOT TAPE LAMPS TOGETHER

- ② Apply Return Shipping Label onto the SimplePac box. Fill out Accumulation date on box—date you start filling the box. Place box in poly bag and tape the bag closed.

- ③ Once your SimplePac is received, and the light bulb waste is recycled, a Certificate of Recycling is issued.

ACCEPTABLE LAMPS:

Fluorescent Tubes
U-Shaped Lamps
Compact Fluorescents
HID Lamps
PAR and Incandescent Lamps

UN-ACCEPTABLE LAMPS:

Coated Lamps
Crushed or Broken Lamps

Our SimplePac Shipping Kit contains:

- One (1) 4' or 8' Container
- Four (4) Tape Strips
- One (1) Poly Bag
- One (1) FedEx Shipping Label
- One (1) Accumulation Date Label (already on box)
- Shipping and Packing Instructions
